

ACROSS THE UNIVERSE

Music & Lyrics by John Lennon and Paul McCartney

3 bar intro

as sung by Fiona Apple

Words are flowing out like endless rain into a paper cup
They slither while they pass they slip away across the universe
Pools of sorrow, waves of joy are drifting through my
opened mind possessing and caressing me
Jai guru deva om

Chorus:

Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light which dance before me like a million eyes
They call me on and on across the universe
Thoughts meander like a restless wind inside a letter box
they tumble blindly as they make their way
Across the universe
Jai guru deva om

Chorus

Songs of laughter, shades of earth are ringing through my open ears
inciting and inviting me
Limitless undying love which shines around me like a
Million suns and calls me on and on
Across the universe
Jai guru deva om

Chorus

Jai guru deva om - repeat till end
