

## AMAZING

Music &amp; Lyrics by Alex Wasiliev

6 bar intro

as sung by Alex Lloyd

When all you want to do is rock  
But you dont want to bear the shock, no more  
When its just swell that fills your eyes  
Belated feelings that you have denied

When every wolf is at your door  
Just like a hundred times before  
But you dont want to leave the end

**Chorus:**

You were amazing and we did amazing things  
And I wouldn't change it 'cause we were amazing things

Rebuilding bridges in your mind  
Your eagerness now is on the line  
The plastic mountain at your feet  
Divided streets now as you look to find a seat

When every wolf is at your door  
Just like a hundred times before  
But you dont want to see the end

**Chorus**

And I really didn't want that push today  
No I really didn't want to end this way  
But the things that seem to bind us  
Are the things we put behind us on this day

**Chorus**
