

BEDROOM EYES

Music & Lyrics by Sami McKinney and Raymond Jones

8 bar intro

as sung by Kate Ceberano

I can't resist you no matter how I try, after all this time can't believe that I'm
About to take this ride, said it was over decided we were through
I've convinced myself that somebody else could take the place of you

You're part of me my one obsession
And from this power you possess I need protection
When you're staring straight through me
With those eyes those bedroom eyes I'm lost for words so hypnotised
I can feel it in my heart it's about to start within those eyes those bedroom eyes

I made a promise to myself that I would
Erase you from my mind leave the past behind
be done with you for good but then I saw you I knew that I had lied
I thought of just how much I crave your touch to keep me satisfied

You're part of me my one obsession and
From this power you possess I need protection
When you're staring straight through me
With those eyes I must admit I'm not surprised
I can feel it in my heart it's about to start
With those eyes those bedroom eyes

You're a part of me my one obsession I need you and
From this power you possess I need protection hey what can I do
There is no reason to lose my sight
As long as I can see myself reflected in those eyes
Bedroom eyes those bedroom eyes I'm lost for words so hypnotised
When you stare into my soul I lose all control to
Those eyes those bedroom eyes

Bedroom eyes those bedroom eyes
I must admit I'm not surprised
I can feel it in my heart it's about to start
With those eyes those bedroom eyes

- Ad lib till end -
