

COLOUR MY WORLD

Music & Lyrics by Jackie Trent and Tony Hatch

8 bar intro

as sung by Petula Clark

You'll never see a dark cloud hanging round me
Now there is only blue skies to surround me
There's never been a grey day since you found me
Everything I touch is turning to gold

Chorus:

Oh, you can colour my world with sunshine yellow each day
Oh, you can colour my world with happiness all the way
Just take the green from the grass
and the blue from the sky up above
And if you colour my world just paint it with your love
Just colour my world

Just as long as I know you're thinking of me
There'll be a rainbow always up above me
Since I found the one who really loves me
Everything I touch is turning to gold

Chorus

Sunshine yellow orange blossoms
Laughing faces everywhere yeah

Chorus

Colour my world oh, colour my world
colour my world!
