

LET IT GO

8 bar intro

as sung by from 'Frozen'

The snow glows white on the mountain tonight
Not a footprint to be seen, a kingdom of isolation
And it looks like I'm the queen
The wind is howling like this swirling storm inside
Couldn't keep it in, Heaven knows I tried, don't let them in,
don't let them see, be the good girl you always have to be
Conceal, don't feel, don't let them know, well, now they know

Let it go, let it go, can't hold it back anymore
Let it go, let it go, turn away and slam the door
I don't care what they're going to say
Let the storm rage on, the cold never bothered me anyway

It's funny how some distance makes everything seem small
And the fears that once controlled me can't get to me at all
It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me, I'm free

Let it go, let it go, I'm one with the wind and sky
Let it go, let it go, you'll never see me cry
Here I stand, and here I'll stay, let the storm rage on

My power flurries through the air into the ground
My soul is spiralling in frozen fractals all around
And one thought crystallizes like an icy blast:
I'm never going back, the past is in the past!

Let it go, let it go, and I'll rise like the break of dawn
Let it go, let it go, that perfect girl is gone
Here I stand in the light of day, let the storm rage on
The cold never bothered me anyway
